

PRISTA® ATF

AUTOMATIC TRANSMISSION FLUIDS

Description and Application

Automatic transmissions fluid **Prista® ATF** is formulated with selected high-quality solvent refined and hydrotreated base stocks and especially developed advanced additive system. Product is dyed red.

Prista® ATF is recommended for use in all automatic transmissions requiring fluids meeting GM Dexron IID specification. It can also be used in manual transmissions, transmissions with servo units and hydraulic systems of passenger cars, commercial and off-highway vehicles, farm and road construction machines and equipment, and especially in marine applications.

Benefits

- Protects automatic transmissions thanks to its exceptional wear resistance
- Ensures the absence of sludge and deposits during long-term operation thanks to its superior thermal and oxidative stability
- Ensures easy cold-start performance thanks to excellent low-temperature properties
- Improves the efficiency and performance of hydraulic control systems and torque converters
- Maintains seal integrity for reliable, leak-free operation

Specifications

	Automatic Transmission Fluid
	Prista® ATF
GM	Dexron IID (GM-6137M)
Allison	C4*(TES-228)
MB	236.2 , DTFR 13C120
Caterpillar	TO-2
Ford	ESP-M2C166H ESP-M2D138CJ
Volvo	97340

* Allison C4-32462007

Typical characteristics

Parameter	Test Method	Typical Value
Density at 20°C, g/ml	EN ISO 3675	0.865
Kinematic Viscosity at 100°C, mm ² /s	EN ISO 3104	7.3
Viscosity Index	ISO 2909	155
Flash point COC, °C	EN ISO 2592	188
Pour point, °C	ISO 3016	-40
Brookfield viscosity at minus 40°C, cP	ASTM D 2983	45 000
FZG Test - Failure Load Stage	ASTM D 5182	11

Important note: typical data values do not constitute a specification but are an indication based on current production and can be affected by allowable production tolerances. The right to make modifications is reserved.

Health, safety and handling

Based on current available information, this product is not expected to produce adverse effects on health when used for the intended application. For more information about product MSDS, terms and conditions for storage and shelf life please visit www.prista-oil.com
