

# PRISTA® ATF II M

## AUTOMATIC TRANSMISSION FLUIDS

### Description and Application

Automatic transmissions fluid **Prista® ATF II M** is formulated with selected high quality solvent refined and hydrotreated base stocks and especially developed advanced additive system. Product is red dyed.

**Prista® ATF II M** is recommended for use in all automatic transmissions requiring fluids meeting GM Dexron IID as well as specifications like MB 236.6, Voith H55.6335.xx. It can also be used in manual transmissions, transmissions with servounits and hydraulic systems of passenger cars, commercial and off-highway vehicles, farm and road construction machines and equipment, and especially in marine applications. The viscosity is intermediate between ISO VG 32 and ISO VG 46.

### Benefits

- Superior wear protection
- Outstanding thermal and oxidation stability
- Very good low temperature properties for easy starts and good low temperature performance
- Very good seal compatibility
- Designed to provide efficient performance
- Smooth shifting performance throughout fluid service life

### Specifications

	Automatic Transmission Fluid
GM	Dexron IID
Allison	C4
MB	236.6*
Ford	Mercon
MAN	339 type Z-1/V-1/L-2
Voith	H55.6335.xx
Volvo	97335
Caterpillar	TO-2
ZF	TE-ML 04D/05L/09/ 11A/14A/17C

\*MB-Approval 236.6

### Typical Characteristics

Parameter	Test Method	Typical Value
Density at 20°C, g/ml	EN ISO 3675	0.865
Kinematic Viscosity at 100°C, mm <sup>2</sup> /s	EN ISO 3104	7.2
Viscosity Index	ISO 2909	157
Flash point COC, °C	EN ISO 2592	174
Pour point, °C	ISO 3016	-40
Brookfield viscosity at minus 40°C, cP	ASTM D 2983	43 000
FZG Test - Failure Load Stage	ASTM D 5182	11

Important note: typical data values do not constitute a specification but are an indication based on current production and can be affected by allowable production tolerances. The right to make modifications is reserved.

### Health, Safety and Handling

Based on current available information, this product is not expected to produce adverse effects on health when used for the intended application.
